Lord Sirom Welcomes You  
*A VACATION ISLAND PARADISE*

Tired of the daily grind, the same old, same old virtual faces? Lord Strom's newly established Ministry of Tourism beckons. Vacation for FREE in beautiful, sunny Tortage!

By day, stroll palm-lined beaches, swim and bathe in crystal-pure waters, scale the local volcanic mountains -- some still active! Visit ancient ruins. Then dance and party away the night, rubbing shoulders with traders, pirates, smugglers, and other colorful local folk in two authentic tropical taverns.

Enjoy day and nighttime eco-tours of virtually untouched White Sand Isle, with a chance to discover the primitive charm of its native tribes.

Charter galleys leaving daily. [Click here to sign up now!](#) You have nothing to lose but your chains!

Nestled in the volcanic Baracha Isles of the Western Sea, once and ever famed port of call for pirates, smugglers, traders, libertines and liberty-seekers of every nation, TORTAGE ISLAND is henceforth, by degree of Lord Admiral Strom himself, the premiere tourist destination of choice for all the world's young, beautiful, hale and hearty.

*Explore dock-side, this bustling world-reknown, exotic port of call.*

*Photograph the wildlife and unspoiled native peoples of pristine White Sands Isle.*

*All your tropical dreams can come true!*
